Artwork requirements:

We can accept both gif and jpeg banners, including animated gifs. Animation must be a maximum of 3 screens and a minimum of 5 seconds between each screen change.

For interactive banners please supply the required link in the form of a webpage URL.

Banner Sizes:

- 190 x 281 pixel vertical banner
- 377 x 170 pixel horizontal banner

Maximum file size = 30kB

Advertisements supplied remain the responsibility of the Advertiser and should comply with ASA standards, UK Medicines Control Agency regulations and ABPI Code of Practice.

Publisher approval will be required on all banner ads.

Cancellations:

The publisher must be notified of any cancellations or changes to the original order by the artwork or publication deadline provided, otherwise amendments/withdrawal of the advert cannot be guaranteed and the full invoice amount may be charged, at the discretion of the publisher.

If amendments to the banner advert are required during the course of the pre-paid publication duration, a fee will be applied for any changes made. This will depend on the changes required by the advertiser.
